

Helping others
makes life
meaningful.

At Devereux, the largest and oldest nonprofit provider of behavioral healthcare in the nation, thousands have been impacted by the exceptional care given to clients that suffer from behavioral and psychological disabilities. Daily, programs and services foster human potential and improve lives—

**building a
community of hope
and legacy of care.**

For more information contact the office of development at 281.335.1000, ext. 2336.
